

The St. John the Evangelist Endowment Classic is the primary fundraiser for the SJE Educational Foundation. The Classic is an excellent opportunity to support the long-term mission of St. John the Evangelist School by helping raise principal-protected funds.

This will be a great day to get out with friends, play some golf, and meet others from the community. If you are not a golf enthusiast, we hope you will consider joining us for the evening festivities, or making a charitable contribution to the Foundation. See you at the Classic!

A sincere

*Thank You*

Please join us for an afternoon of golf followed by an evening of fun and fellowship, in support of the St. John the Evangelist Educational Foundation ("SJE Educational Foundation").

The mission of the SJE Educational Foundation is to assist St. John the Evangelist School in its commitment to provide state-of-the-art technology and educational programs to its students. Since its creation in 1995, the SJE Educational Foundation has provided thousands of dollars in grant money to the school. These funds have been used to purchase computer hardware and software, digital cameras, projectors, interactive SMART boards, iPads and video surveillance equipment, helping to ensure St. John the Evangelist School students have the necessary tools to succeed in the classroom and beyond.
