At St. John the Evangelist School our student body is highly engaged, and our parents are very invested in their children's education. In fact, our overall ISTEP scores are among the highest of any school (public or private) in Northwest Indiana!

We are seeking a full-time Resource teacher who will work with students individually and in their classroom settings. The Resource Teacher will help students with a 504 based Educational Plan, ELL Students and students who are below grade level in reading and math, in addition to a few students with ISPs. The Resource teacher will also offer strategies for classroom teachers to assist with better integrating students with special needs within their classrooms.

Our Resource teacher will have the ability to motivate our students and display a high degree of patience. Candidates must also exhibit outstanding verbal, written and presentation skills when dealing with students, parents, fellow teachers and administration. Organizational skills are key as this teacher manages multiple grade levels and classes, in addition to required reporting. Candidates should be licensed in Indiana, or able to be licensed in Indiana if licensed in another state.

In addition to a competitive pay and benefits package, St. John the Evangelist teachers enjoy quality of work life which includes:

- working with students who love to learn and score well above state averages
- strong parental support and involvement
- ability to share their faith and instill moral and character development in their students in accordance with the teachings of Jesus Christ
- strong emphasis on discipline, responsibility and accountability and very few/minor discipline issues

Candidates who desire a positive change or wish to start their careers in a highly motivating, high performing environment, should send resume and certifications to Kris Ziegelhofer, Human Resources Coordinator, at hr@stjohnparish.org.
